This represents the planned workshop for Salsa Fiesta 2025 and is subject to changes that may arise from unexpected events such as artist cancellation due to illness or other events outside the control of the SF Committee. Where such changes occur, the SF Committee will make every reasonable effort to provide a substitute equivalent class

If you have collected your Welcome package & writsband you have already checked in and don't need to register again. Registration is only applicable to persons who have not as yet collected their Welcome packages or those who purchased a one day workshop pass and not yet collected their wristband.
